

## This Week

The median list price in RANCHO SANTA FE, CA 92067 this week is \$3,497,500.

The Market Action index has been trending down lately, while days-on-market is climbing, providing mostly bearish signs for the market.

## Supply and Demand

- The market has shown some evidence of slowing recently. Both prices and inventory levels are relatively unchanged in recent weeks. Watch the Market Action Index for changes as it can be a leading indicator for price changes.

The Market Action Index answers the question "How's the Market?" by measuring the current rate of sale versus the amount of the inventory. Index above 30 implies Seller's Market conditions. Below 30, conditions favor the buyer.
