

## This Week

The median list price in CARLSBAD, CA 92011 this week is \$560,900.

Inventory has been lightening lately and the Market Action Index has been trending up. These are mildly positive indications for the market.

## Supply and Demand

- Home sales continue to outstrip supply and the Market Action Index has been moving higher for several weeks. This is a Seller's market so watch for upward pricing pressure in the near future if the trend continues.

The Market Action Index answers the question "How's the Market?" by measuring the current rate of sale versus the amount of the inventory. Index above 30 implies Seller's Market conditions. Below 30, conditions favor the buyer.
